

Fabric Protection

KEEP YOUR FABRIC UPHOLSTERY LOOKING FRESH FOR YEARS! Here is why you need Guardian ™ Fabric Protection

We CAREFULLY and THOROUGHLY spray with permanently affixed GUARDIAN ™ FABRIC PROTECTOR. This remarkable formula protects all your fabric surfaces. It effectively guards from water based and oil based stains caused by food and beverages normally consumed by humans.

It also provides a protective barrier against stains caused by all human or pet bodily fluids and is backed by an insured STAIN PROTECTION WARRANTY.

GUARDIAN ™ FABRIC PROTECTOR contains an advanced fluoropolymer formula developed to permanently protect your fabrics. It affords you the extra time to clean a spill before it becomes a stain.

GUARDIAN ™ FABRIC PROTECTOR bonds to each fiber without affecting the look, feel, or breathe ability of the fabric. Your fabric will be exactly as it was when you bought it, only better. Fire retardancy will be unaffected.

GUARDIAN ™ FABRIC PROTECTOR is non toxic and completely safe for humans and animals.

GUARDIAN ™ FABRIC PROTECTOR contains a special UV inhibitor which helps to reduce fading.

GUARDIAN ™ FABRIC PROTECTOR contains an Anti-Static additive which helps to repel airborne dirt & dust resulting in your fabric remaining cleaner and requiring less professional cleaning.

GUARDIAN ™ FABRIC PROTECTOR is permanently affixed unlike other fabric protectors that require re-applications every year or two.

GUARDIAN ™ FABRIC PROTECTOR provides you with 5 years of warranty service – unlike other services that provide a one year service guarantee!

GUARDIAN ™ has been a leader in fabric protection since 1977.

AND HERE'S HOW WE DO IT:

Our technician will spread a tarp to protect your floor and then move the sofa or chairs onto the tarp. He will then spray your sofa or chair with GUARDIAN ™ FABRIC PROTECTOR and using a special brush lightly coax the formula into the fabric. Your furniture will be put back in place and then should dry for 24 hours.

You will be given your 5 year warranty and samples of some of our GUARDIAN ™ care products.

It's fast, it's easy, and you will have the peace of mind to know that your furniture has had professional care and accidental spills or stains shouldn't be a problem in the future.
